

11.5" | Firm ○ ○ ● ○ ○ Plush

The original PowerCool Sleep System was one of the coolest innovations on the market when it debuted last year, and it still retains its title. The system features a pairing of a mattress and adjustable base that work together to keep the sleeper cool and comfortable. Strategically located fans in the base push fresh cool air through the extra breathable, ventilated, medium feel mattress. This ensures a cooler, more comfortable sleep even on the hottest of nights by circulating the air around the sleeper.

Benefits & Features

- Built-in Cooling Fans
- 3 Fan Speeds + 3 Fan Styles
- Independent Head + Foot Adjustment
- USB Charging Ports + LED Lighting
- Wireless Remote with Flashlight
- Multi-base Syncing for Split Sizes
- 4-in-1 Adjustable Legs (3" + 3" + 6")
